KALEIDOSCOPE'S  
FINEST

PRESENTING  
THE  
BLUE DEVIL  
EXPERIENCE

1. Hey Sobie,

Well here to a great summer  
and an even better senior year.  
Hope I get you next year, but  
if I don't I'll probably be  
in here all the time anyway  
so it doesn't really matter.

Well have a great summer.

W

Mr. Sobie.

I've thoroughly  
enjoyed your class this year. It  
has been quite an enlightening  
experience. I will always cherish  
the memories of the good feelings  
we've shared in class even though  
we've had some minor disagreements  
in our stimulating conversations.  
Before I came to this class my slogan  
was "I never met a Republican I  
really liked." Well, that definitely  
changed this year. Keep in  
touch. Love, Lenny Rozamus

Hope weems it

Mr. Sobie,

You're the best in the  
west. I really really  
looked forward to seeing  
you and hearing your  
jokes. I will miss you  
and I'll always keep  
the advice you gave  
us in class in my heart.  
Even though it's a whole  
tale!

Love ya  
Robin Young

Mr. Sobie,

When I first came  
to this school I didn't  
know what to think  
of you with all the rumors  
that go around. But my meeting  
you and being in your class  
has showed me a valuable lesson.  
Don't judge people by what  
says. You're true.

Doug Warran

Mr. Sobie, Glad That I  
I am very glad that I  
had you for my boot teacher.  
You are one of a kind. Always  
stay loving & caring. You really  
made my days, when I came to  
your class upset, or mad. You have  
the special touch that lights everyone's  
day. Remember me always  
Love ya!

Jerrill Sobie

Mr. Sober,

It has been a real enjoyable year in Gov. I may not have learned alot about Gov, but I did learn alot about life in general. I think your about one of the best teachers that I have ever had (I mean it, really).

Well I hope you have a great summer and I doubt if you'll ever get a class like 1<sup>st</sup> period was. They were something else.

Take care,  
your friend  
Tony Bolyard

P.S. I did learn alot of gov. this year.

Mr. Sober,

Mr. Sober,

I really enjoyed being in your Gov. class. You're a really great teacher, and I think your humor is tops. You make a student want to learn something. I'm sorry about your room, and if ever found out who did it, they wouldn't live to confess. Have a nice summer, and Good luck in the future, with your teaching. Your friend,

Keith  
(Tiny)  
Horne

Mr. Sober,

You did thro out the year.  
Hope to hear from you in the future. Thank's again  
John F. Tootin

Shirley

Miss Barbara Scott

Mr. Sober, I really enjoyed being in your class. You are one of a kind. I will never forget the wisdom you gave me. I can't wait to see you again. I have done my best to be a good student. I hope you will be happy. I love you. Love, Wendy Joyner

Mr. Sober,

1 Hey Sober,

# TRIBUTE

Mr. Jack D. Daniel, newly appointed principal of Hopewell High School has a long record of service to our city and its students. He came to H.H.S. in September, 1966, as a government teacher, assistant football coach, track coach, and senior class sponsor. In October, 1967, he became the acting director of activities and then became the director of school activities the following year, keeping some of those activities with which he began. In July, 1970, he became assistant principal, and in November, 1981 he was appointed principal of Hopewell High School.

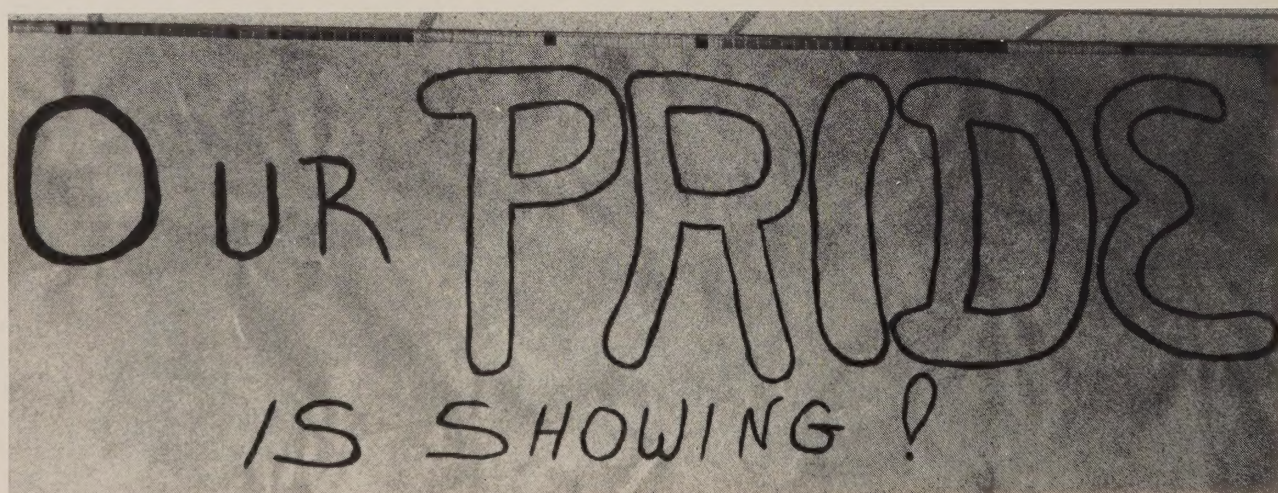

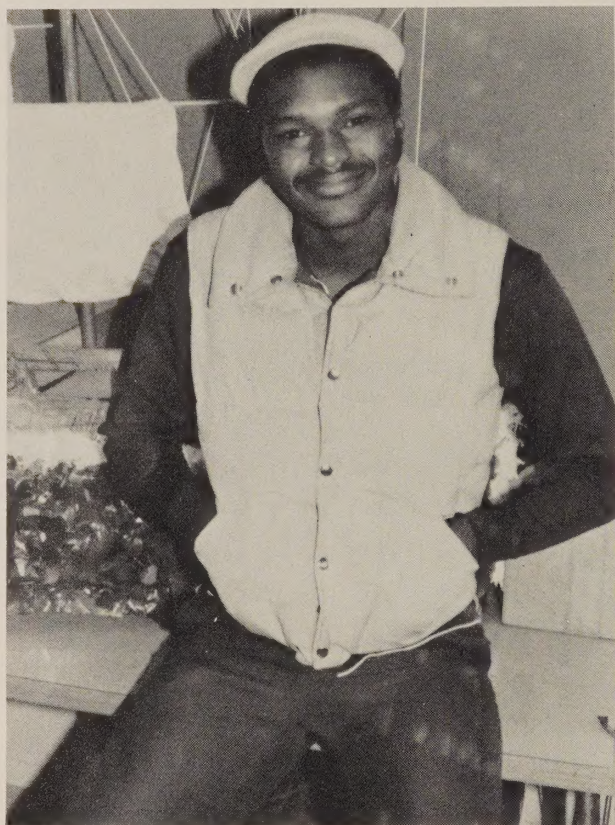

His interest in the athletics department and in the extracurricular activities of the school has led him to serve as Va.'s delegate to the National High School Athletic Director's Association for eight years and to serve as director of many of the district and regional tournaments in this area.

Finally, his community service makes him well-known to parents and students alike. He is the president of the Hopewell Rotary Club and a member of the Masonic Lodge, the Richmond Scottish Rite, the ACCA Temple, the Petersburg Shrine Club, and Demolay Dads.

His interest in and concern for Hopewell students, the schools and curriculum, and the community itself makes Mr. Daniel a much respected individual and principal.

Clockwise—Holly Barnes, Eddie Williams, and Carol Ross take a short break from a hard days work. The costumes of this gang were the highlight of the Ring Dance. The Senior, Juniors, and Sophomores are overflowing with PRIDE. Michael Brown takes time out of his busy day to pose for the camera.

# SUPERMAN

Coach Larry Carter began teaching and coaching after graduating from Bridgewater College, where he played football for four years. He lettered all four years and was also the captain his senior year. Coach Carter was also named to the All-Mason District team in his senior year.

After graduating from college he taught one year at Parry McCluer in Buena Vista and then four years in Rockbridge High School, where he led them to the first district title in the history of the school. Later he moved to Appomattox where he taught and coached for two years. There he had two successful years in football.

In 1977 he moved to Hopewell where he has worked hard to bring the football team to their first winning season in five years and also to win the district title for the first time since 1969.

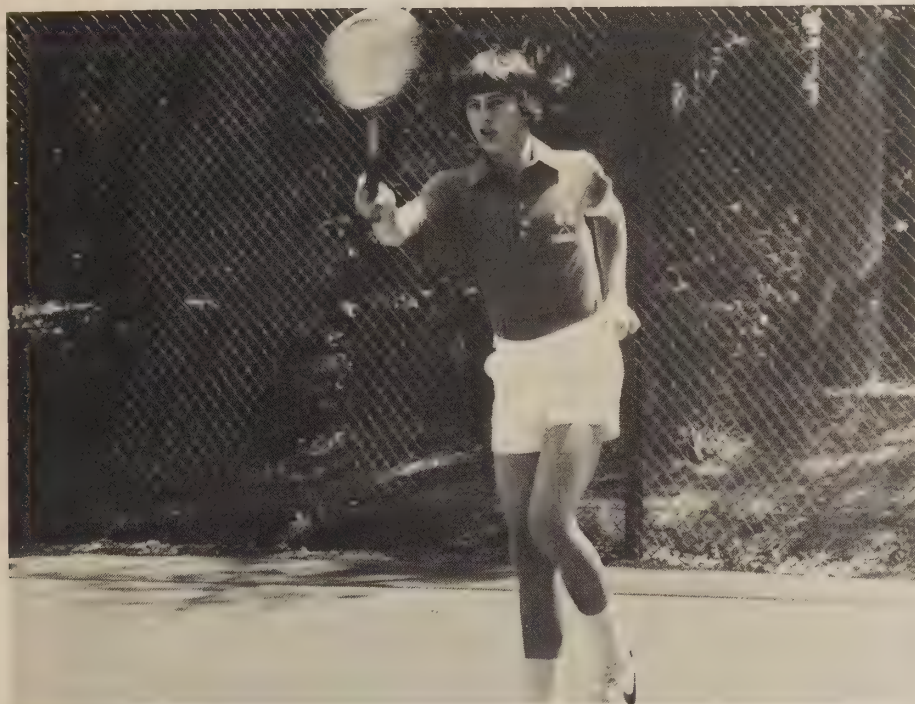

Coach Carter is a warm, friendly teacher. His Sociology students welcome his humor, his insights and his input. His faculty peers truly enjoy his company, especially his laugh. He has dedicated himself to Hopewell High's football team by encouraging the players to perform in a competitive, determined manner, but also by maintaining their love for the sport. Coach Carter has been described by school members as "genuine", "fun-loving", "caring" and "teddy-bearish."

This honor, the yearbook faculty dedication, is a long time coming for Coach Carter. The long hours spent on the football field are just one aspect of a coaches job. The quality of that time spent is equally important. He has given of himself to the students and faculty here at HHS. "Bubbles" Carter, is our deserving recipient.

# THE ODD COUPLE

Anne Geib, Miss Kaleidoscope, for 1982, was an overwhelming favorite by the HHS faculty. She is a super gal and a natural beauty as well. Anne has been involved in lots of school activities including the Beta Club and the Honor Society which demonstrates her academic excellence. She was Junior Class Vice President and is currently Senior Class President. Anne has been an active member of the Key Club, French Club, A.H.E.O. and tennis team. She was selected as a Top 10 finalist in the Miss HHS Pageant her junior year. Anne is also a member of Who's Who Among Am. High School Students. Anne is a very special person—her sunny disposition and outgoing personality have endeared her to us all.

**Ron Wellington**

**Anne Geib**

**Mr. and Miss**

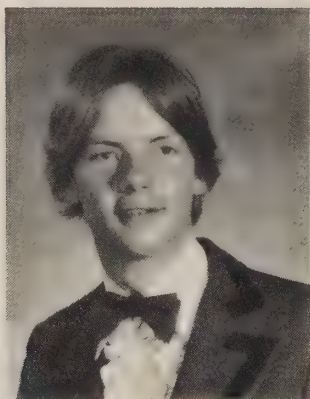

**Kaleidoscope**

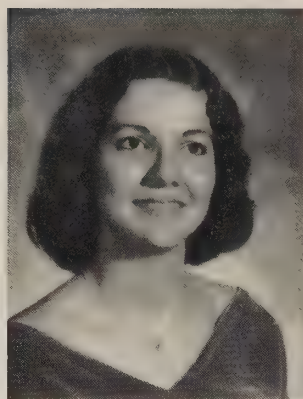

Ron Wellington has been chosen by the HHS faculty to be the 1982 Mr. Kaleidoscope recipient. Ron has been described as being "a real gentleman," "a dedicated student" and just a "heck of a nice person." Ron has been involved in the Monogram Club, French Club and has been a starting player for the HHS Tennis Team. He was also selected to be a member of the Who's Who Among American High School Student. Ron is respected and well liked by his peers because of his easy going nature and friendly manner. He's a special favorite with the girls—as the staff members said "a real cutie."

The Miss Hopewell High February Pageant took place in 1981 to choose a junior girl to represent the school for 1981-82. # THE STUNT MAN

## SENIORS

Looking in from the outside, things don't seem the same, the bad eludes us, only the good remains. A few we've lost and a few we've gained, all while we've traveled down the lane.

We've seen the moon and the sun, many things we have done. We've had good times and bad, many loves we have had.

We've laughed and we've cried, many things we have tried. We've been through all kinds of weather, and we all grew up together.

We walk hand in hand when we stroll, each one of us has set our goal. It's been a long time and many things have passed. But we've struggled and we've made it at last.

We all have spent many years with each other, we almost seem like sisters and brothers. We'll remember all of the hard work and the smiles. Passing through the last door, it all seems worth while.

# ONE LIFE TO LIVE

Charles Edward Williams, better known as "Eddie," has shown great skill in writing and acting. In 1980 he received the "Most Outstanding Newswriter Award" after being on the J.E.M. Newspaper staff. He is a member of *Thespion* and is in the *Theatre Ensemble*. Eddie has been a cast member in various plays and productions; *Pippin*, *The Room*, and *Story Theatre* are just a few. Eddie is also active in things other than acting. Among these are *Battle of the Brains*, and he is also Pres. of the choir. When asked what he plans to do with his life, Eddie replies, "Go to college, major in theatre. Go to New York, become famous."

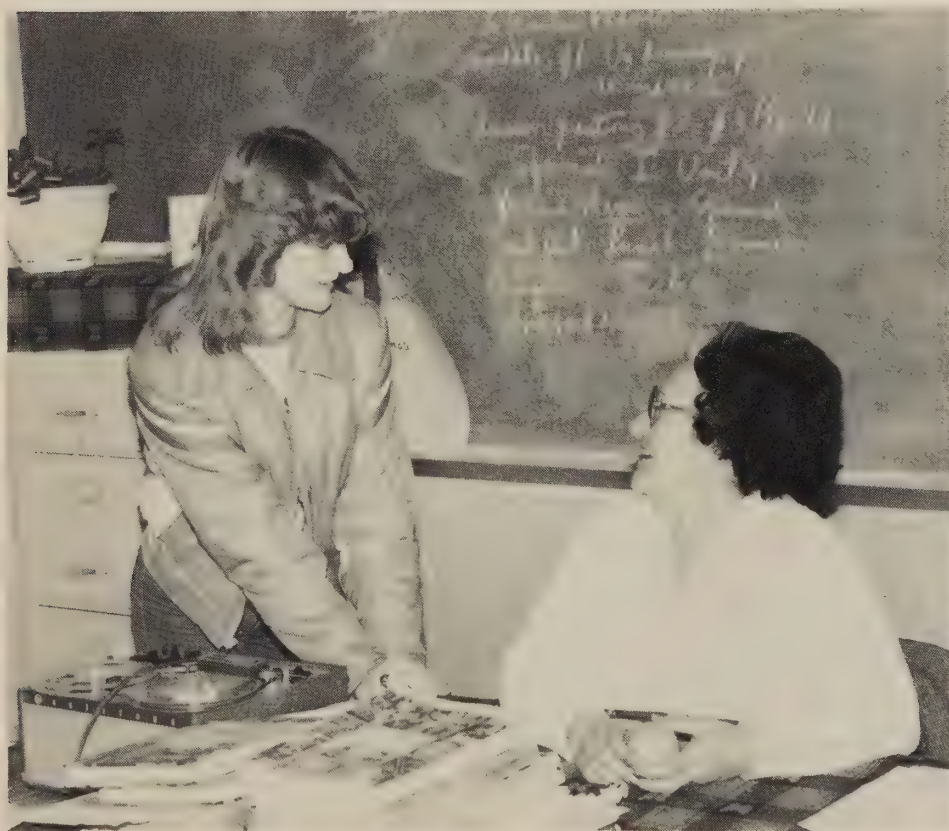

Jennifer Lee has achieved quite a few goals herself. In 1979 she had a poem published in a magazine. She obtained second place in a speech contest sponsored by the Optimist Club in 1980. Jennifer was inducted into the *Beta Club* and *Thespion* (Drama Honor Society) last year. Her favorite hobby is photography and she is the "group photographer" of the Senior High Youth Group. These are just a few of the goals she has accomplished, and you can be assured that this is only the beginning.

Natalie Selina Thorne has shown outstanding academic achievement. Since leaving Junior High, she has been on Alpha Honor Roll. She won first place two years straight in the "Hopewell Optimist Club" oratorical contest where she then won the zone contest in Colonial Heights and represented the area in the National Contest. Another one of her many achievements was being voted by the faculty at James E. Mallonee as the "Most Outstanding Student of the Year." If you think any of this fame has spoiled her, you're wrong, Natalie Thorne is one of the nicest people you're ever going to meet. Natalie tells us, "Always be yourself, and you'll go far."

Sylvia Holc and Mrs. Hapstack are having a friendly chat.

# THIS IS YOUR LIFE

Bubba Warthan is an HHS Sophomore whose talents and interests range from musical to athletic. Athletically he has been on the Hopewell All Stars since 1973 and he is presently playing on the J.V. football team. Musically, Bubba was chosen to sing in the One Way Singers. The choir which he is a member of has been chosen best choir in local, conference, and regional championships.

Tracy Spatig is a 15 year old Sophomore whose talents and interests include gymnastics, dancing, swimming, sports, and cheerleading. Tracy's accomplishments have included travels to Nova Scotia, Belgium, and Germany for International gymnastic meets. She was A.A.U. champion in 1979 and 1981 and also participated in many local and state gymnastic meets where she ranked highly. Tracy's extra-curricular activities include cheerleading for several years. She is presently head cheerleader of the J.V. Cheerleading Squad. She has also participated in local, regional, and state track meets, as well as taking dance lessons for a number of years. Academically Tracy was a recipient of Good Citizenship Award for the southside area and in 1979 she competed in the Daughters of American Revolution. Tracy also participates in a number of church activities.

# ON THE RIGHT TRACK

Dr. Jim LoFrese left Hopewell High School at the beginning of this school year to take a job in his home state of New York. He left behind him students, faculty and community members who learned, prospered and grew because of him. Its an understatement to say he is greatly missed. We weren't left without a leader though. Mr. Jack Daniels has been named acting principal until a permanent appointment is made. Mr. Clarence Nicholas is assistant principal.

Track is a demanding sport that requires physical, as well as mental preparations. Often one on one competition is grueling pressure. The 1981 Track season was highlighted by the efforts of graduates Nick Klonis and Bowen Hyatt. Klonis won the district in shot put and Hyatt went to Regionals for the third straight year in a row in the two mile.

Mr. Sober,  
 You have meant more to me than any teacher  
 ever has. I think of you as a friend more  
 than as a teacher. Your jokes and impersonations  
 have picked me up many times along with  
 your hugs. You've taught me about life,  
 love, and friendship (real, true, and honest  
 relationships). I'm very sorry if ~~you~~ we've  
 caused you pain this year (I know that  
 we have). I wouldn't give you up for any  
 thing in the world. Thanks for taking care  
 each of us and for helping the relationship  
 within our class to flourish. I love you so  
 much. Please be good to yourself, you deserve  
 the best.

 good season. They finished second in the  
 District and made their "first ever" trip to  
 the Regionals. There the girls lost a heart-  
 breaker (4-3) in 10 innings to Henrico. But  
 all in all the Girls' Softball team had a very  
 rewarding season.

# This Season

The Hopewell Blue Devil baseball team under Coach Marshall Parker encountered an unbelievable season. The Blue Devils avenged a 3-15 season last year with a 13-7 season this year. The Devils placed second in the Central District. Their biggest win came in the Regional Semi-final against top-ranked Douglas Freeman. The Freeman Rebels had a 2-0 lead going into the sixth inning. Then Terry Summerfield executed a perfect squeeze bunt to score Rice.

The Devils then faced a disappointing end to their season with a loss at the hands of eventual state champion J. R. Tucker. Tucker won the game 4-3 in nine innings. The Blue Devils proved that they can compete with the best. Coach Parker quoted after the loss to Tucker: "These were the best bunch of kids that I've ever coached. They never gave up." The Blue Devils will lose the whole outfield but have the pitching staff and infield returning.

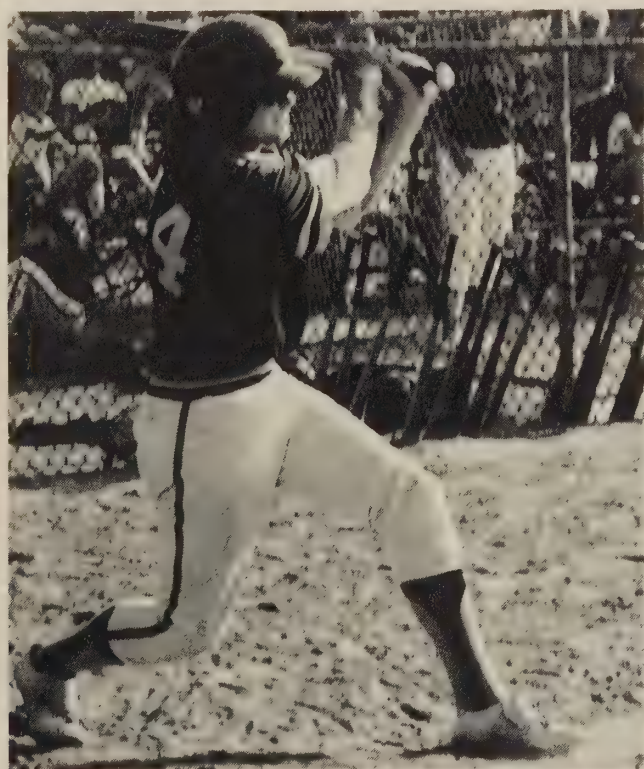

Coach Parker keeps a watchful eye on the game.

**ISSUES AND ANSWERS**

The SCA theme for 1981-82 was "PRIDE" which was carried over into school activities, posters and a SCA assembly. Paul O'Neil, President of SCA and his first period representatives sought to bring the pride of HHS to each student on a personal level as well. This was culminated in student participation in Spirit Week activities that included events such as Hat Day, Blue & Gold Day, Dress Up Day, Western Day and Red, White & Blue Day. WE GOT HHS PRIDE!

We started out as eleven relatively normal human beings. We were chosen to be on the staff because of our ability to handle demanding and frustrating situations. In other words, we were supposed to be able to handle pressure—take it in stride—not let it affect us! The results of this scholastic endeavor are somewhat evident in our photos. We have, to say the least, changed. Here is a month by month layout of our mishaps, miseries, and memories.

Sept.—We eagerly arrive, notebooks, crop-pers, grease pencils in hand to take the challenge! We hit the streets for ads. Budget already run over.

Oct.—Uh-oh! Underclass pics. misnumbered! Barb, Cindy, Kelli & Fro cry a lot! Typewriter resigns, Yearbook sign runs away from home.

Nov. —(Nov. 8th to be exact) Kaleidoscope Baby arrives! Laura Kay Frossard!

Dec. —WHERE are our pictures? We get P.G.'s by mistake. We adopt Mrs. White.

Jan. — Wilson Moore where are you? Snow interferes with progress! Fro returns. Stogie Club formed.

Feb. —We are energized by final deadline! Do or Die!

March —Taking it easy—but where did our minds go?

April —Hustling for pictures for next year.

May— Changed personalities have overwhelmed our once delicate perspective of life. We measure by deadlines. We think crop and label. We are haunted by 22290—new zip? We can't stop remembering the horrors of senior index. We shiver at the sight of the workroom.

June —Yearbooks have been signed, sealed & delivered. Senior staff moves on to bigger and better things. Fro cries a lot . . . .

Page 148 Clockwise: The Gang, Fro, Kelli, Del, Chuck, Mrs. White, Cindy Cole, Cindy H.

Chuck Bjornes —Underclass Editor: layouts at home, no punk for him!

Del Brown —Faculty & Activities Editor: caption question? Reluctant punk.

Adrienne King —Underclass Editor: hungry, squeezing big girls into small drapes, posed punk.

Cindy Cole —Co-Editor: no picture for Sonny! Surprising punk!

Denise Simmons —Ads Manager: Maroon under white? Waverly? True punk!

David Wells —Staff Assistant: video-fever, absentee punk.

Tony Bolyard —Senior Editor: our Bull Moose! Who needs women anyway? Big-eyed punk.

Cindy Harney —Sports Editor: SECRETS! Layout speedster! What football pics? Great Giggle! Sees every movie and watches every TV show!? Frizzed punk.

Tammy Griffin —Production Editor: my fish died . . . T Y P E kidnapped punk

Kelli Puryear —Senior Editor: the "red scare" . . . our mind and secretary . . . What 3rd & 4th period class? Plastic punk.

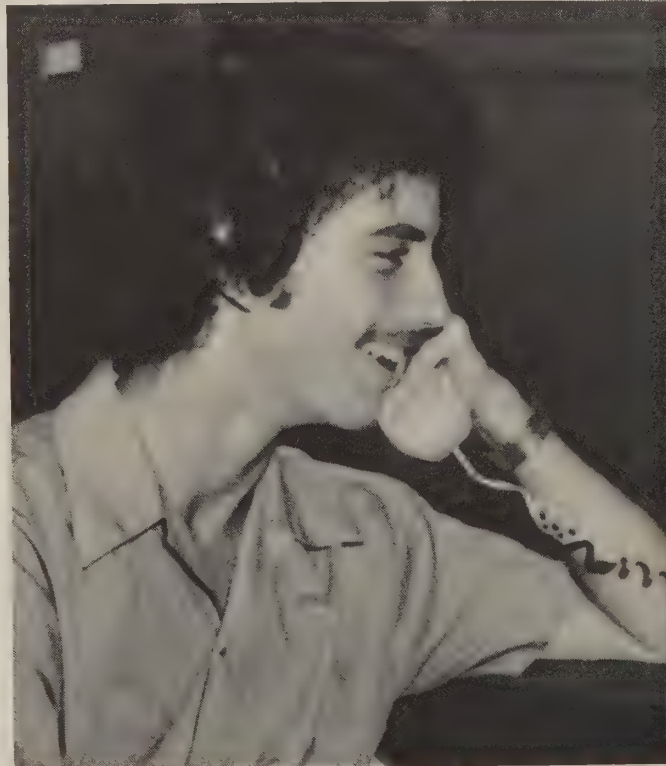

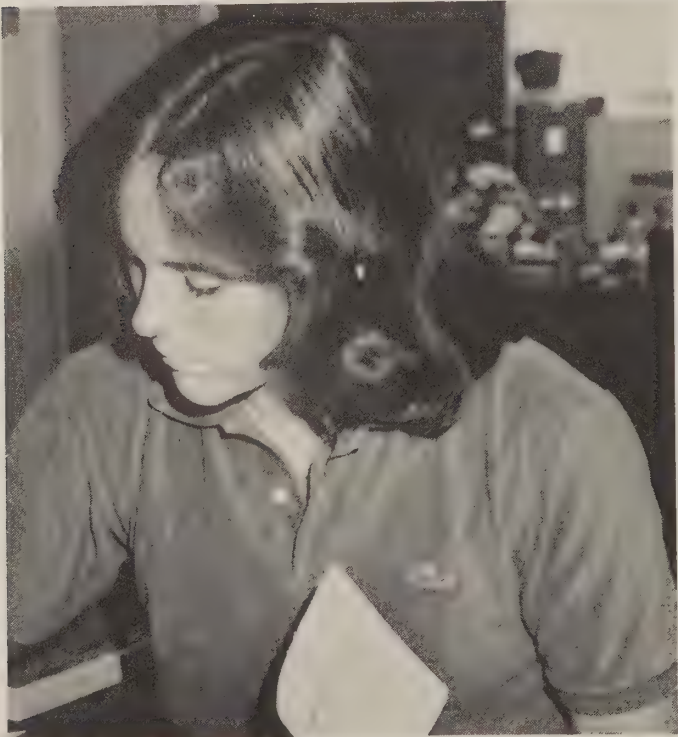

Barbi Bradley —Managing Editor: E.C.U. "What am I going to do about —?" Who needs those men anyway? Hidden punk

Mrs. White —Adopted Advisor: He's a jerk! Slide-show producer, Best friend (we love you lots!) Basketball punk.

Mrs. Frossard —Advisor: overwhelmed by being overwhelmed! Grades the punks.

## THE FOUNDATION of every way of life!

Your community newspaper touches the lives of everyone. Our children are taught to use their newspaper in the classroom to follow current events. Our teenagers are informed of community activities such as sports, entertainment and where their dollar stretches the most through local advertising.

Young and adult couples cash in on advertised bargains, discount coupons, food news and consumer accounts and save money on their family budgets.

Senior citizens on a fixed income treasure the everyday practical advice they obtain from their newspaper. They cannot get around as easily as they used to, so advertised savings and valuable coupons are very important to them. Special interest features, current trends and events keep them thinking young.

Jam-packed with news, feature columns, sports, TV and movie guides, plus special stories on recreation, hobbies, entertainment and community events, your newspaper has been keeping people up to date and entertained for generations.

# HE KNOWS

# YOU'RE ALONE

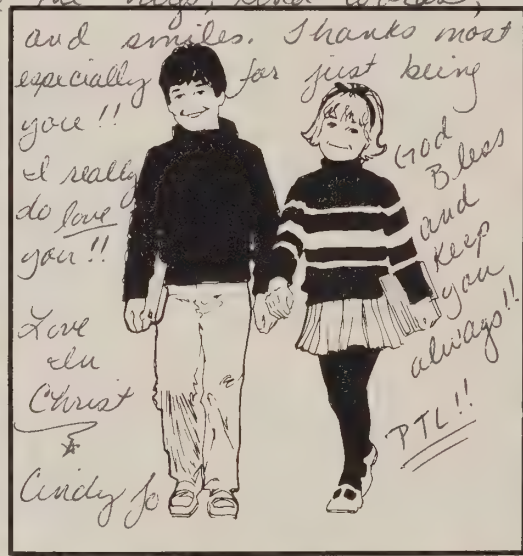

*He knows you're alone*

Mr. Soker (No, prell),

I don't know what to say really, 'cause there is so much to say. I had to sign in this page 'cause I know you like say too. Anyway, you've helped me through this year in ways that I don't even think you're aware of! Thank you so much for your endless enthusiasm, encouragement, and above all love! It's meant so much to me and you've been the nearest example to follow and remember throughout the years. Your love of life just enhances your love for fellow man. Well, I promise never to forget all the hugs, kind words,

P.S. Keep praying for David Bruce. Your concern is much needed and very appreciated!

# TOMORROW

Sometimes I wonder  
Where I've been  
Who I am  
Do I fit in?  
Make-believing  
All alone  
Out here  
On my own  
We're always proving  
Who we are  
Always reaching  
For that rising star  
To shine us through  
And guide us home  
Out here on our own.  
And when I'm down  
And feeling blue  
I close my eyes  
And I think of you  
Oh baby  
Be strong for me  
Baby belong to me  
Help me through  
Help me near you.  
And as the morning  
Sun appears  
Making light  
Of all my fears  
It guide me through  
It guides me home  
Out here on my own  
Out here on my own.

# THE END

Dear Jerry,  
Thought I'd write some  
more.

Memories of a man,  
Giving himself,  
And his life,  
To the students he taught.

Teaching,  
And being taught,  
A never ending circle.

How can one repay  
The debt one owes  
To such a  
Perfect example?

Only by being yourself,  
Doing what is right,  
And teaching others,  
The world.

I hope you liked the poem,  
Renee Hawn

Yma. Seta-

Well, its finally the end of this school year. Let me just say that ~~showing~~ you for a teacher has been one of the best experiences I have ever had. Thank you for all the understanding and patience you've given this class. You have helped me get a better understanding of myself just by talking of your past experiences. You are truly a wonderful teacher and a beautiful person. I wish you all the happiness your heart can hold. (that's a lot, I'm sure!) Thank you so much for being a true friend.

Mr. Sober,  
I have enjoyed being in your class. You have a witty sense of humor that makes government class a lot more interesting. I hope you remember in the years to come as I will remember you. You are one of the best teachers I've ever had and the class of 183 will be lucky to get you.

Mr. Sober, I am so very sorry for the way some of the members of the class of '82 behaved. I am sure that they really didn't want to totally demolish your class. Just remember that the whole class was not in on that.

Take care + have a good Summer.

MR SOBER,  
I had a nice time in your class this year. I have enjoyed it alot. I got alot of stuff that I know with that I didn't before. You really can teach a class with lots of fun. Hope you have a nice summer + come back to see you again. Love Judy

Mr. Sober,  
It's been a real experience having as my Government teacher this year. You are definitely unique. I never forgot the crazy things my boyfriend told me you used to do in 1980 because I wanted to find out for myself. Well, he was right. You are crazy! However, you are a very good teacher and a nice person. The best of luck to you in years to come.

Love Kim Williams

Well Mr. Sober, It's that time of year again. I hope that you have an excellent summer. I want to thank you for the things that you've taught me besides government.
